Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This variation will delete Table 1.3 and amend condition 1.3.1 and also Appendix 3, to replace the accepted waste codes held within it, with those specified in this variation.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
